## Executive park getting new look, new name

One of Westchester County's premier professional office parks is getting a new look and a new name.

Formerly known as the Harrison Executive Park, the 13-acre campus is undergoing a major capital improvement program and rebranding as the Purchase Professional Park.

Situated on Westchester Avenue in the heart of Westchester's Platinum Mile, the Purchase Professional Park features three modern buildings (3000, 3010 and 3020 Westchester Avenue) totaling 135,000 s/f of Class A office and medical space.

A fourth building comprised of 85,000 square feet of medical space — 3030 Westchester Avenue — is scheduled to be completed and occupied in the first quarter of 2015. 3030 Westchester Avenue has been fully leased to WESTMED Medical Group, a large multi-specialty group medical practice.

Simone Development Companies and its development partner Fareri Associates are nearing completion of a major renovation and modernization of the existing buildings and common areas at the Purchase Professional Park.

Newmark Grubb Knight Frank is the exclusive leasing agent for Purchase Professional Park.
